**Optimal ACCESS**

**(812) 490-9401**

**[www.optimalaccess.org](http://www.optimalaccess.org)**

# ***WHY ACCESS Academy?***

**Do you have a student who is struggling with challenging behaviors?**

**Try ACCESS Academy!**

**Do you have a student with complex communication needs who is struggling to make academic progress, despite your staff's best efforts?**

**Try ACCESS Academy!**

**Are you concerned about the safety of students and staff with a student who frequently melts down?**

**Try ACCESS Academy!**

**Do you have a student who struggles to regulate in the unpredictable sensory environment of brick and mortar classrooms?**

**Try ACCESS Academy!**

**Do you find that distance learning options have not been adequate to meet the needs of some autistic students with high support needs?**

**Try ACCESS Academy!**

**Do you have a student who prefers to spell or type with a communication regulation partner, but you do not have the capacity to hire, train and supervise CRPs in the public school environment?**

**Try ACCESS Academy!**

# **Program Components & Costs**

## **ACCESS Academy**

This virtual private school opportunity is a cost-effective option for districts when a student needs a higher level of individualized supports than what are traditionally available in the public school environment.

Districts are encouraged to contact Casey DePriest, Head of School ([casey@optimalaccess.org](mailto:casey@optimalaccess.org)) to request a fee schedule and/or additional information.
